This is our first time at Hahndorf, and I'm quite excited about the Venue and our new luxurious surroundings. I have cut out certain meals/extras to try to cut down costs in any way I can, I am sure this will not impact on the quality or level of satisfaction we will experience during our stay. It's the people who are the most important and who make these Getaways so fantastic....so thank you to all of you!

BOOK IT IN!

To ensure we all have lots of room, I have limited numbers. A \$50 deposit is required upon booking please (cash or direct debit). Further payments can be made in instalments, **full payment due 1 May 2020. This includes booked classes.**

Accommodation payments will be separate (paid directly to the resort) and at this stage all they require is your cabin preference, so they can save it for you – please let me know what you would like when you pay your deposit.

NOTE: the accommodation prices will most likely increase next year (when?) so I have been advised to get our bookings in sooner than later.... payment for this not due until next year closer to the date.

So, get your **Sparkle** on ladies and save the date.

Looking forward to seeing you there!

Take care, loves and hugs,

Sharni. XX
